

## About

---

I am a young creative designer, passionate about designing & developing functional & modern solutions for web & mobile applications.

During my time as a student I have worked with a number of companies & digital/design agencies in order to solve brand solutions & create digital user experiences.

## Skills

---

Web Design, UI/UX Design, Responsive Design, Design Systems, Product Design, Brand Identity Design

## Awards

---

Duke of Edinburgh - Silver Award (2015)

Duke of Edinburgh - Bronze Award (2014)

Art Award - Bronze (2014)

## Interests

---

An avid football fan & supporter of Everton FC (the greatest football club), other passions I have included expanding my guitar playing as well as city exploring & photographing modern/brutalist architecture.

## Work Experience

---

### Persona Studio - Shadow Web Designer/Developer

March 2020

After working with Persona on a university project set from by creative director I had the opportunity to shadow under the senior web designer & developers, practicing the JS framework Vue/Nuxt as well as other JS libraries for improved web UX & UI.

### Adobe & BBC Creative Jam

June 2018

Working with Adobe & BBC in order to ideate & create motion graphics & storyboards for the theme of the 2018 World Cup.

### Waterloo Uncovered Creative Jam

January 2018

Working in a larger group I designed iconography & UI elements for a better user-experience within a desktop-based game.

## Education

---
